

Committee Outcomes December 2019

Present: there were 8 members present and 5 sent their apologies

Moorways Sports Village

Wayne Sills, Shaun Biffen and Sam Parr joined us with a Presentation of the Sports Village, how it would develop and to stress the importance attached to the Swimming Pool and Stadium. There may be some disruption while the access road developments were being carried out.

Anyone arriving on club nights before 6pm would help to ease the congestion for Car Parking. Floodlighting powered by generator (new columns and upgrading of lights are necessary).
